

# AquaTeak

## TREADMASTER AQUATEAK

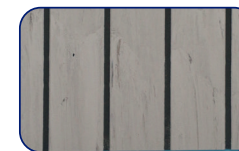

Our R&D team have been busy in our laboratory developing a brand new range of flooring, that we are almost ready to launch. Treadmaster Aquateak will be available in five brand new finishes, with two options on caulking colour.

Aquateak offers all the characteristics of the original Atlanteak flooring plus...

- Exceptional Scratch Resistance
- Added Flexibility for easier handling and installation
- Excellent Cleanability
- Fully Tailored Cutting Service
- Highly Fire Retardant – Smoke, Toxicity and Flame Spread
- UV and Temperature Stable
- Extremely Durable
